DR. TUTT: Dear Sir: For ten years I have been a martyr to Dyspepsis, Constipation, and Piles. Last spring your pills were recommended to me; I used them (but with little faith). I am now a well man, have good appetite, digestion perfect, regular stools, piles gone, and I have gained forty pounds solid flesh. They are worth their weight in gold.

It has been alleged that the report ol. Culberson's speech at Marshall to which we referred as unjust to Col. Loughery's paper gives us this approved extract from the Congress man's baranque:

"The Governor had stooped from lepartments and check excesses, become an inter-meddler with course of justice in the courts."

We had thought that they who dis charged simple duties commonly stood Governor Hubbard "stoops his high position" when crime. When Governor Hubbard, see ing how a supposed criminal, having money, subordinates to his purposes the genius of Cutberson and of many like commonwealth outraged must rely for justice and for vengeance upon the efforts of one single youthful barrister-when Governor Hubbard, seeing Texas, sends assistance to the State's Attorney, then a Congressman, a man of books, each reciting the same events tral empire, absolutely condemns the Governor as an "inter-meddler."
